## How the Program Works

To set the Law in motion, begin and end everyday with the Treatment for Prosperity. Use the Affirmations at other times to help keep your mind centered in the Divine Flow of Life. **Treatment work** will be done for all participants in the program. Joyfully, we will support each other and together experience more prosperous living!

Make a personal commitment to give a 10% tithe of your unforeseen income in gratitude and acknowledgement of God as the Source of your good, keeping the remaining 90% for yourself. You will see that tithing works when you follow this program! When we pay attention to the flow of good into our lives and take action to raise our awareness of the Infinite Source of Good within and around us, we expand our good through the Law of Mind.

**Our Unforeseen Income Program is an ongoing opportunity for you to increase your prosperity consciousness. Sign up now and experience Divine Increase in your life today!**

## Treatment for Prosperity

My life is a fact of God. It is supported by an eternal process. The way is always clear. My special world reveals the Divine Energy of Spirit. My joy is full in the knowledge of a Primal Intelligence that is One and Only and All.

Right now I accept the universe as an opulent system. I understand that supply is from everlasting to everlasting. I recognize that I am a product of the beautiful affluence of Spirit and never again shall I fear or experience lack, limitation or loss.

I am divinely insured against all negative thoughts and feelings through my expanding awareness of these truths. Any and all sense of limitation is banished. I am open and receptive to the fresh wellspring of spiritual ideas which nourish me and supply all my needs lavishly. Life is a magnificent experience, and I am truly grateful that I am beautifully prospered in every way now. AND SO IT IS!

### **AFFIRMATIONS FOR PROSPEROUS LIVING**

- ❖ I release all fears about money, for it is the means by which good circulates in my life.
- ❖ As I receive money, I bless it.  
As I release money, I appreciate it.
- ❖ I am an open and receptive channel for free-flowing good and easily accept responsibility for the wealth that comes to me.
- ❖ I am free and clear in money. I always have plenty of money to spare.
- ❖ I am a magnet for Good.

## The Elements of Prosperity

Prosperity is a state of consciousness, the consciousness of God's rich abundance surrounding, supporting, and constantly supplying our every desire. We accept and embody this consciousness when we do the following:

**GIVE** – Return a portion of all we receive to the person, place, or organization from which we receive our spiritual growth and inspiration. This is a way to acknowledge the true Source of our good.

**FORGIVE** – To really discover who we are, mentally and emotionally, we must let go of old hurts and resentments. Without dwelling in the past, we must allow ourselves to recall the moments of joy in it. Strive to find good in all things.

**SET CLEAR, SPECIFIC GOALS** – When we give Infinite Mind a mental equivalent of successful accomplishment, we become co-creators with God and we set into motion the spiritual Law of Cause and Effect which responds by manifesting our spiritual prototype with mechanical precision..

**SEEK AND FIND OUR DIVINE PURPOSE** – When we clearly know that we are spiritual beings and live accordingly, we experience living here and now in the Kingdom of Heaven on earth, as abundant beings in an abundant universe.

## The Law of Giving & Receiving

*By Ernest Holmes*

Everything in nature moves in circles. What goes out must come back. Unless the seed is sown it cannot bear fruit. There must be a planting for every harvest. Who gives all receives all.

Love and you will be loved. Extend joy and you will become more joyful. The ancient Talmud say, *"God will doubly guide the already guided,"* and Jesus, the greatest of the great, said, *"Give, and it shall be given to you, good measure, pressed down, and shaken together, and running over, shall men give unto your bosom. For with the same measure that ye mete withal it shall be measured to you again."* (Luke 6:38)

We do not give because God needs the gift, but because the giving increases, broadens and deepens the life of the giver. Nor shall we give from the standpoint of duty. The Universe refuses to bargain with us. It has already given us everything It has. But It also has provided that the gift of life can be received in its fullness only as it flows through us to the fullness of others.

How wonderful is this exact balance which God and nature keep; how perfect is the law of Good and how glorious the opportunity to join with the joy of life!

Include me in the UNFORESEEN INCOME PROGRAM and for the general demonstration of increased good in harmony with all of life. I will share the increase that comes to me in the form of a tithe of 10% "off the top" as my joyful gift to the Center for Spiritual Living Jacksonville.
